

# Legacy Health PGY1 Pharmacy Residency Program

Six PGY1 residents across 6 unique practice sites. Each resident will have a home site for required learning experiences (internal medicine, critical care, emergency medicine, and administration) and staffing requirement. Residents will be able to complete up to 2 elective rotations (12 weeks) at another Legacy Health site. Elective experiences include: ambulatory care, transplant, infectious diseases, trauma critical care, cardiovascular critical care, pediatric critical care, pediatric and adult oncology, and neonatal critical care.
