**SECTION:** FINANCE  
**TITLE:** SELECTION OF CJR PHYSICIAN COLLABORATORS

---

### PURPOSE:

Describe the Legacy Health requirements for selection of CJR Physician Collaborators.

### SCOPE:

All Legacy Health CJR Physician Collaborators.

### DEFINITIONS:

- CJR: The CMS Comprehensive Care for Joint Replacement Model program.
- Physician Collaborator: A physician contractually participating with Legacy in CJR either individually or through a group practice.

### POLICY:

To be offered the opportunity to participate in gainsharing opportunities as a CJR Physician Collaborator, a physician must:

1. Hold an unrestricted license to practice medicine in either the State of Oregon or Washington;
2. Hold all customary narcotics and controlled substances numbers and licenses as required by federal, state, and local laws and regulations with respect to their specialty;
3. Maintain in good standing active medical staff appointment, together with the appropriate clinical privileges;
4. Abide by and comply in all material respects with all bylaws, rules and regulations of the hospital medical staff and policies governing medical staff of the hospital;
5. Be board certified or board eligible in orthopedic surgery;
6. Have never been (i) excluded, debarred, suspended, or otherwise ineligible to participate in state or in Federal procurement or non-procurement programs, or (ii) convicted of a criminal offense that falls within the ambit of 42 U.S.C § 1320a-7(a);
7. Have never been convicted of a felony;
8. Be in compliance with all Medicare provider enrollment requirements at 42 CFR Section 424.500; and
9. Be willing to actively participate in the care redesign plans.

A physician who meets all of the requirements outlined above is eligible to participate as CJR Physician Collaborator with Legacy Health.
