# There are several ways to transfer securities to Legacy Health:

- 1. Electronic transfer
- 2. Mailing
- 3. Hand delivery

#### 1. ELECTRONIC TRANSFER

The most popular and efficient way to transfer securities to Legacy Health is by electronic transfer. If your stock is held at a brokerage firm, notify the broker that you wish to make a gift of securities to Legacy Health. Your broker will need written authorization from you before they can make the transfer. Be sure to tell them the name of the stock you want to transfer, the number of shares and where you would like your gift to be designated when it reaches Legacy Health. A Legacy Health stock transmittal form (available on the next page) can be used in place of a letter. Please mail or email a copy of your authorization letter or the stock transmittal form to the following:

Attn: Gift Processing Legacy Health - Philanthropy PO Box 4484 Portland, OR 97208 giving@lhs.org

#### 2. MAILING STOCK CERTIFICATES

If your securities are not held at a broker then you can either mail or hand deliver the certificates directly to Legacy Health Philanthropy. If mailing, send your **unendorsed** certificate(s) and a cover letter (including your name, address, and purpose of the gift) in an envelope. In a separate envelope, send a signed, signature guaranteed stock power. We strongly recommend using registered mail to forward your certificates and stock power. A stock power form can be obtained at your local bank or by calling Legacy Health Philanthropy at 503.415.4700.

**NOTE**: Please DO NOT mail endorsed certificates. Once the certificate is endorsed, it is legal tender and can be exchanged by anyone. It is strongly recommended certificates not be sent to a transfer agent for registering in Legacy Health's name. This procedure is unnecessary and results in needless delays of the transfer.

## 3. HAND DELIVERY

Certificates may be given to a foundation gift officer or delivered to Legacy Health Philanthropy at 1919 NW Lovejoy Street, Portland, Oregon.

#### **VALUATION OF STOCKS AND BONDS, OR GIFT CREDITING**

For information regarding the valuation of stocks and bonds, or gift crediting, please contact Legacy Health Philanthropy at 503.415.4700.
