

Grant Role Identification for FCOI

This form is to help ensure we are in compliance with 42 CFR 50, Subpart F: Promoting Objectivity in Research.

LRI PROPOSAL INFORMATION

Proposal Title:

LRI PI Name:

For each of the people listed below, indicate if they should be classed as an investigator for FCOI purposes.

Who should be classed as an investigator for FCOI purposes?

Anyone identified as Senior/Key personnel in this grant application AND any other person, regardless of title or position, who is responsible for the design, conduct, or reporting of PHS-funded research.

Who needs to submit this form?

All PIs submitting a grant application to a PHS-funded organization (e.g. NIH) must identify the personnel who are responsible for the design, conduct, and reporting of such research (regardless of job title or role on the proposed project). This is to be done at the time a new or revised proposal/ application (including any subcontract agreement) is submitted.

What happens next?

Grants Management will follow up as needed to ensure that anyone identified as an investigator has complete and current CITI Financial Conflict of Interest Training, and they have a current annual FCOI disclosure on file.
